**BUILDING NOTIFICATION (PERMIT\*)**

**\*Please note: this application is to notify the Town of any new construction/additions/upgrades only. It is the property owner's sole responsibility to determine whether his/her project meets any State requirements for: driveways, septic systems and/or wells, set-backs, shoreline regulations, subdivisions, wiring, plumbing, fire code, etc. Acknowledgment of this notification by the Board of Selectmen in no way guarantees that a building project meets any applicable State requirements. Owner/builder acknowledges that by submitting this document to the Selectmen of the Town he/she is granting permission for the Town's assessor to enter the property to inspect any new construction and/or additions/upgrades in order to update the property assessment record.**

I/We hereby notify the Board of Selectmen in the Town of Pittsburg, New Hampshire, of intent to construct on the basis of the representations contained herein.
